

Dogs New Zealand Accredited Breeders Scheme

Health Testing Submission Form

Who should complete this form?

- Breed Health Liaisons or Breed Club Secretaries, ideally
- Individual breeders/breed owners
- Breeds with only one club are expected to have most of their committee in agreement
- Breeds with more than one club should have most clubs in agreement.
- Evidence of committee/club agreement should be provided by way of signatures at the end of this document, where possible.
- Completed forms should be emailed to caninehealth@dogsnz.org.nz.

Which items can be accepted?

- Mandatory tests must be validated for the breed and agreed by the CHWC to be relevant to the New Zealand population of dogs for the breed concerned.
- Optional tests can include anything that impacts the health and/or welfare of the breeding dogs and subsequent puppies, specific to the breed, where a test is available.
- Diseases to be aware of can include anything that impacts the health and/or welfare of the breeding dogs and subsequent puppies specific to the breed, and where a test for the disease/condition is not available at the time of list publication.

How is this form processed?

- At the Canine Health & Welfare Committee meeting in June/July the submissions will be reviewed. Submissions are considered when received by the end of the calendar month preceding the meeting.
- Executive Council ratify changes at the meeting following CHWC deliberation.

- Reasons why the request has been approved or declined will be provided to the submitter.
- Changes made to the ABS will be notified in the Dog World edition in the month following EC ratification.
- Existing ABS members will then have a 6-month grace period before compliance is compulsory, to take account of any existing breeding plans.
