## NOTES

1. This form must accompany or precede the **Application for Registration of Dogs** form and be accompanied by the current service fee for filing and litter Notification.
2. Registration fees are not to be sent with this form unless accompanied by the Dog Registration form. **PLEASE NOTE:** The Dog Registration fee is in addition to the Litter Notification Service Charge.
3. The owner(s) of the sire and a witness to the mating (whether owner of the sire or dam, or a third party) must sign Section A as indicated.
4. When the bitch whelps the owner of the bitch at that time (i.e., the breeder) must complete Section B. (Only the breeder may do this).
5. Section C used if a Magazine advertisement is required. A separate fee is payable for the advertisement.
6. This completed form should be sent to Dogs New Zealand (DNZ) within 28 days of the date of whelping, forms sent after 28 days must include the fee payable for applications brought out of time.
7. A litter consists of one or more puppies born at the same parturition. The whelping date of a litter is the date whelping commences.
8. All dogs whelped in this litter should be recorded in Section B
9. A dog cannot be registered with DNZ unless the Combined Certificate of Service and Litter Notification form has been recorded at DNZ as detailed above.
10. **Privacy Act:** Information contained in and supplied for the purposes of Dogs New Zealand Register of Dogs is public information, available for public search, and information will be disclosed on request.
11. **For frozen semen requirements please contact this office.**
