THANK YOU FOR YOUR ENTRIES AND ENJOY YOUR WEEKEND

Prize Giving

This will be carried out after each test.

Numbers

Please remember that it is Dogs NZ requirement to wear your number in the ring as well as being of great assistance to call stewards. If you are running more than one dog, please make sure that you wear the correct number for each dog.

Numbers will be available in the clubrooms from 8am.

Scratching

If you have not reported to your ring by the time you are due to run, you will be called three times and then moved to the end of the class. If you fail to report for your run at the end you will be scratched. If you intend to scratch your dog before your run, please let the show manager know before the class begins. If you do need to move it is courteous to let the competitor following you know that you are no longer in your original position.

Please Note: If you are running dogs in more than one test and they 'clash' please let the show manager know and we can get this sorted for you before the days show starts.

Please Show:

Consideration for you fellow competitors by keeping the ring entrances and exits clear and keeping your dog under strict control.

Fouling

Please make sure that you clean up after your dogs.

***Gleniti Park is a public park and playground, please keep dogs away from the playground – minimum 10metres. We would appreciate all dogs being confined within vehicles, crated or on lead**

PLEASE NOTE: GLENITI PARK IS 'SMOKE FREE' – NO SMOKING

IS PERMITTED ANYWHERE IN THE GROUNDS
