OUR JUDGE

Having a passion for animals since a very early age, my original passion was horses. I bred Australian Pony Stud Book Society (APSB) ponies for many years under the "Hilaire and Jayendee" prefixes, and natured this interest in my children. The family participated in most horse sports including conformation shows and hacking "Pony Club", a small amount of hunting and driving. I no longer own or have involvement with horses, although I am still as passionate about my first love. I believe my involvement with horses, their breeding and exhibition, ensured that my transition to the dog world certainly started me close to the top of the ladder, with an understanding and appreciation of presentation, breeding and animal husbandry.

I am a strongly competitive exhibitor and a keen enthusiastic judge. I passionately enjoy breeding and raising my Beauideal Shelties. I support new comers to the breed and have nurtured many new exhibitors into the world of showing and breeding Shelties.

I have owned the Beauideal prefix since 1988, although owned Shelties as pets since 1979. Beauideal bred or owned Shelties have been extremely successful at all levels of competition including Specialty, National Speciality and All Breeds Best In Show. Beauideal's foundation bitch Ch Nantiki Gold Trinket is still strongly reflected in all Beauideal pedigrees.

Beauideal have imported many Shelties into Australia and brought in previously unavailable UK lines into Australia (Milesend & Faradale)

I am proud of the success I have enjoyed with my precious breed, for me there is no other.

I would like to thank the club for this opportunity to judge our very special breed, and look forward to getting to know the New Zealand breeders and exhibitors better.

I am really looking forward to seeing all the wonderful New Zealand Shelties. I hope you all enjoy your day, as I know I will.

Judy Docksey
