The Tiki CKCS Club committee extends a warm welcome to our Judges and exhibitors and visitors. Thank you for your support. We wish you all a very enjoyable weekend, good luck and safe travel.

WELCOME FROM THE COMMITTEE

The committee of Tiki Cavalier King Charles Spaniel Club (Inc) wish to extend a warm welcome to our Silver Piper Championship Show for 2018. This is being held in conjunction with Franklin Kennel Association, and Auckland Toy Dog Club at The Black Hawk Auckland Exhibition Centre Ardmore, Auckland.

We welcome also our judge Mrs Charlie Fippin from USA. Thank you for travelling to Auckland. Our judge will be assisted by Mrs Joanne Day. Many thanks to Joanne from the Tiki Club.

As a committee we endeavour to run successful shows where exhibitors and their Cavaliers enjoy the day. Once again John Barnes will be videoing our show, and for that we thank him very much.

**SHIRLEY "CHARLIE" FIPPIN
ATHERCROFT CAVALIERS, USA**

Having grown up on the family farm, I don't remember ever living without dogs. My father trained dogs for field work and trained problem horses. He also ran and maintained a pack of coonhounds. Some of my earliest memories involve playing with puppies and following the hounds. (pictured at right- Charlie with CH Athercroft Get a Lucca Me).

My first AKC champion was an Irish Wolfhound, finished (owner-handled) in 1974.

We fell in love with Cavaliers more than 25 years ago when a good friend got one for her daughter. The sweet little tricolor bitch stayed with us for a few days – and we were hooked! My husband and I struggle for room on the sofa with at least one Cavalier of each colour. I currently have an active Cavalier breeding program (Athercroft) with my good friend, Claire Parker.

(pictured above - Bronze GCH Athercroft Love My Jimmy Chews).

I am a founding member of the American Cavalier King Charles Spaniel Club and have served on it's Board of Directors for many years.

I bred Golden Retrievers, including a #1 Golden and several specialty, all-breed Best in Show winners, and group winners; but, later concentrated on breeding Cavalier King Charles Spaniels and Flat-coated Retrievers under the kennel prefix "Athercroft". In those two breeds, there have been more than 150 Athercroft champions (most owner-handled; many

from the Bred by Exhibitor class), including National Specialty Best of Breed winners, 6 generations of group winners, the first Flat-coat to place in the group at the Westminster Kennel Club show, and the first Flat-coat to win an all-breed Best in Show in the USA.

Our Cavaliers also include Champions, Grand Champions, Specialty winners, a MACH agility dog, registered Therapy dogs and treasured family pets. (pictured left – Charlie with GCH Athercroft Wine a Bit, Yule Feel Better)

I now divide my dog activities between playing with and showing my dogs, breeding Cavaliers, and judging at AKC conformation shows. I began judging in 1998 and have judged numerous Cavalier specialties and I treasure the memories of each show.

Being invited to judge a Specialty is a huge honor. I am aware of the great responsibility of such an assignment.

Shirley "Charlie" Fippin.

We had her dam Chelsea in the kennel for a while and she won amazingly well including Reserve Best in Show at Tiki Cavalier Show, Reserve Best in Show at Otago/Southland Toy Dog Club Show plus Reserve Challenges at Specialties.

Lara came to us after her second litter as a replacement Brood for Evie. She is the dam of one Australian Champion and others pointed and we look forward to a litter from her early next year.

She won her classes at both Tiki and Canterbury Cavalier Shows and apart from picking up Challenges for her title she has been hardly shown.

Glamorous Evie came to us for showing and breeding. She had a few In Group wins on the way to her title. But she was the laziest Cavalier we have ever had – she potted around at home happily, but turn your back or at a show and she went to sleep – her favourite pastime apart from eating. She was a sweet girl with a soft temperament but she had no get up and go. We tried to breed from her but she had odd seasons and, in the end, she went back to Chevalove. Thank you, Evie, for being part of the show team – you taught us heaps!

Frida Louise is my lovely tricolour girl from the first litter that Sophie and I bred from Soph's girl Ch Redcrest Sophie's Choice. Her brother Henry obtained his title last year, but Frida took a wee break to have a litter. Having 2 champions from our first litter was pretty special. Frida gained her 8th challenge certificate amongst some serious competition at Taupo, with her half-brother Jimmy obtaining his at the same show – a great credit to their father Ch Glengariff Excursion. She is an absolute delight to live with – laid back when necessary but an absolute terror to our local quail population – a true sporting spaniel. Everybody loves Frida – her pet name means “beautiful beloved” in Old Norse and she truly is that.

Bella came to me as a stuff fee. Her breeder, Colleen Buckley, tragically passed away when the litter was 6 weeks old. I was therefore very lucky that her daughter, Suzanne honoured that agreement. While her name was already on my horizon, it became a fitting farewell to Colleen.

A significant fault became apparent at around 6 months of age, but I decided to carry on showing her, as she had many merits. This decision was reinforced when her second Challenge was awarded at Tiki Championship Show by Will Henderson (Matmor). She has subsequently had CCs from several other Cavalier Specialists, and from Toy Specialists. While many All Breed judges only see her fault, but others see her virtues. I am grateful to every one of them and enjoy any wins we get. I also thank fellow exhibitors who have provided support and encouragement the whole time.

Jimmy Jams was born the fourth puppy out of a litter of six. The first born was a lovely little tri girl Ch Viewlands Fascination (Josie) and I was delighted. Three puppies later I held a wet blenheim boy in the palm of my hand and fell in love knowing straight away that I had my Gentleman Jim. There were times that I looked at him and thought boy you are ugly but as I watched him grow and move, he just made me smile – and lucky for him he still makes me smile.

His first show as a Baby Puppy at four months old he took a Reserve Dog Challenge and so the wonderful ride began – and continues today with wins at All Breeds shows with a Puppy in Show and Junior in Show and Group wins. Toy show wins and at Cavalier King Charles Spaniel Specialty level he has managed to get his name on a few cups in both islands.

People talk about heart Dogs – I think Jimmy is mine. He comes down from my first Show girl Ch Ravilla Silver Rose Petal and Baby's daughter, my first Viewlands breed champion Ch Viewlands Feliz Navidad.

I cannot thank Lynn McIndoe and Anne Dobie enough for letting me use the lovely Ch Glengariff Excursion. With two champions from the same litter I think I can say it was a good mix with lots of Homerbrent on both sides.

Mr Jimmy Jams can be a wee bit hard to get kisses out of but the ones he gives are worth the effort. The only thing I wish he would stop doing is standing in the middle of the lawn and barking normally at nothing and when he is told NO he gives me the Look, barks once more, wags his tail and trots inside. I think he rules the house or thinks he does.

Lois Strickett, proud breeder-owner-handler of Ch Viewlands Gentleman Jim.

Stop Press!! On Saturday 10th November 2018, Jimmy won Best in Show, All Breeds at Wairarapa Kennel Association under Peter Primrose (WA) in Show Judge, and Lyn King (VIC) Group Judge.

Josie came into my life in October 2016. I was between show dogs at the time and Lois offered me one of her puppies to show as a co-owner. I travelled to Feilding to stay with Lois for a week and was to take a puppy home with me.

There were 5 bitches in the litter and 1 dog who is known as "Jimmy" now Ch Viewlands Gentleman Jim. I knew Lois didn't really like keeping boys so had thought it would be me taking Jimmy home. To my surprise, she had already decided she was keeping him and being sure she would keep the lovely tri girl as well, I focused on 2 lovely Blenheim bitches. It wasn't until the day before I went home that Lois told me I was to take Josie back to Christchurch with me. Then the bonding started....

Josie was awarded her first challenge at 11 months of age amongst strong competition in the South Island and was awarded her 8th just 7 months later at 18months of age, with other awards along the way and this continues.

Josie has a sweet nature, is a delight to live with, a typical tri colour personality and very fond of her own voice! Lois and I look forward to her having puppies in the future.

Erza Scarlet is Frida's daughter and is named after a character in the anime "Fairytail". That Erza Scarlet is a fiery redhead that is unbeatable in battle, referred to in awe by those she has defeated as Titania, Queen of the fairies. Although a fairly big role to fill, my Erza Scarlet has come pretty close, obtaining her title at 14 months, with none of her challenges coming cheaply for her. There is some admirable competition in her age group and none of her wins have been taken for granted. Probably the best word to describe Erza is "intense". She decided I was all hers at 2 days old and barely spares even a glance for poor Sophie. She is an absolute Mummy's girl and loves showing, strutting in the ring with tail wagging madly. A Taylor daughter (NZ Ch Caribelle Total Eclipse (Imp Aust)), she is our first generation Thistlebrook champion and really is a little Miss Pretty.

SPECIALIST GRAND CHAMPION

George came to live with us when his owner's wife had passed away and we used to have him delivered to us for the Tiki shows. Paul wanted to travel and go boating and having George was tricky. We had always said he was a very handsome boy and were glad to have the opportunity to have him come and live with us. He has had a wonderful show career winning his eighth Challenge Certificate and his title with Best in Show at Otago/Southland Cavalier show under Katie Sloan (Scotland & France) from the world famous Turretbank Cavaliers. That was particularly thrilling and so we thought he was worth showing at the Cavalier Club shows in the hope of gaining the Specialty Grand title which he has achieved. We are extremely proud to have two NZ Cavalier Specialty Grand Champions in our kennel as there are currently only three.
